English

To use your phone safely and effectively, please read the following before using.

To ensure your phone, please and delete the Power Button and Volume Button at the same time until the screen restarts is displayed to restart the phone.

How to Transfer Old Mobile Content to a New Mobile

If you are using a OPPO Cloud Service to back up your data, please open the "Backup and Restore" function on your old mobile phone and back up your data. Then, open the "Clone Phone" on your new phone and follow the prompts. If you are using a third-party cloud service to back up the data, download "Clone Phone" and follow the prompts.

Regulatory

Please scan the QR code or go to Settings - About device - Regulatory.
